## QUALIFYING RULES

Lane assignments shall be by blind draw accomplished by the Tournament Committee. Practice time will be from 11:45 – 12:00 pm.

If, in the qualifying round, the final position needed to complete the field for Match Play should result in a tie, a 9<sup>th</sup> & 10<sup>th</sup> frame roll-off shall immediately be held. The contestant on the odd lane will start the roll-off. Failure of any contestant to remain available in case of a tie will constitute forfeiture.

Contestants will bowl (8) eight games, skipping one pair to the right after each game, unless this results in bowling more than one game on the same pair; then they will skip two pairs of lanes as necessary.

## DOUBLE-ELIMINATION MATCH PLAY RULES

The finals will be a double elimination method of competition bowling 2 game matches. The undefeated survivor in the winner's bracket will be matched against the winner of the consolation bracket, whose record will show only one defeat. If the player from the winner's bracket wins the first match, she will become the champion. A victory for the player from the consolation bracket would tie the two finalists at one defeat each and require them to bowl another 2 game match. The winner of the previous match will choose her starting lane on a different pair of lanes. The winner of this match will be the Washington State Queens Tournament Champion. The Senior Queens and Princess Divisions shall follow the same format.

Practice time will be from 9:45 – 10:00 am. After competition begins, there will be no practice.

Players will be seeded into the Match Play Bracket based on total pins in the Qualifying Round (1<sup>st</sup> vs. 16<sup>th</sup>; 2<sup>nd</sup> vs. 15<sup>th</sup>, etc.). One contestant will be assigned to each lane. Bowler on the left lane will begin the match. If a match ends in a tie, a 9<sup>th</sup> and 10<sup>th</sup> frame shall immediately be rolled with the contestant on the odd lane starting first. A 9<sup>th</sup> and 10<sup>th</sup> frame will be rolled until the tie is broken.

If a contestant fails to appear for the first match, an alternate, the next highest finisher from the semi-finals, will be given the opportunity to replace her.

After the first match, **NO SUBSTITUTES WILL BE PERMITTED.** Failure to appear, regardless of cause, will constitute forfeiture of the match and contestant present will bowl her frames without opposition to advance to the succeeding match.

If a bowler is disabled during the match, she would lose that match, but not necessarily be eliminated from the tournament. Should this happen in the winners' bracket, the bowler would be put in the consolation bracket. Should this happen the bowler would be placed in their proper position.

All other questions will be decided by the tournament manager.
