

Bowlers who have an average of 170+ OR have bowled in the Scratch division during the MYST 2019-2020 season must be/remain in the scratch division for the remainder of the season. The average information for scratch bowlers is for informational purposes only, it is not necessary to list their average when signing up on tournament bowl.

In the event that you feel there is an error in calculation for a bowler, please do not hesitate to let us know by emailing us at [mystbowlingtour@gmail.com](mailto:mystbowlingtour@gmail.com)
