How does Scotch Doubles work?

Bowlers ALTERNATE after every shot

If bowler 1 strikes, bowler 2 then bowls the next frame and vice versa

If bowler 1 does not strike, bowler 2 would have to pick up the spare. Bowler 1 would then bowl the first shot of the next frame and vice versa

AVERAGE (All averages must be with at least 21 games bowled)

Individual Averages are based on the following hierarchy:

1: Winter Standard Composite Average 2024-2025

2: Standard Composite Average from 2023-2024

3: Standard Composite Average from 2022-2023

4: Highest current league average

NOTE: If your only average is challenge or sport, your converted average is used

Team average is half of the combined average

RE RATES (New for this tournament)

All teams that have bowled the Scotch Doubles has their averages tracked.

If your teams average with (1) at least 18 games bowled or (2) have at least 2 cashes in the main tournament is higher than your entering average, your team will be rerated.

OTHER

Last call for side pots and ALL SETS of brackets is at the end of practice. Please turn in payments before throwing first ball in tournament play.

Teams have the choice of who can start each game. The same person doesn't have to start every game.

In the 10th frame, if bowler 1 bowls a strike first ball, then bowler 2 throws the 2nd ball

Max score in main tournament, side pots, and brackets with handicap is 300

And, most importantly, HAVE FUN!!!
