Tournament will be sanctioned by the USBC, all participants MUST be sanctioned for the 2020-21 Season.
Oil Pattern: Oil pattern will be Sport Compliant and Provided the Wednesday before the event.

All surface adjustments MUST be made before qualifying begins. Once qualifying begins, you will NOT be allowed to alter the surface of the bowling ball until the conclusion of the event. Any bowler adjusting the surface to the bowling ball mid-event, the ball(s) adjusted will be removed from competition.

QUALIFYING: Each bowler will bowl 4 games, moving pairs after game 2. After 4 game qualifying, the cashers will move into a single game elimination bracket. If there is tie for the final qualifying position, a 9th and 10th frame roll off will take place to determine the final position.

ELIMINATION BRACKET: Bowlers that qualify for the elimination bracket will be seeded based on their qualifying scores. Top seed(s) will receive a first round bye and be given a lane to remain loose on.
Prior to each match, bowlers will receive 2 practice shots on each lane.
Bowlers will bowl a one game match with the higher seed getting starting lane choice. Winner moves on to the next round. In the event of a tie, there will be a one ball roll off to determine who wins the match, High count moves on, alternating lanes if still tied.
